

USPS PRIORITY MAIL - FASTER & LESS EXPENSIVE SHIPPING!!

We have teamed up with the USPS to give faster shipping times to most zip codes at a less expensive pricing structure for most packages. We will still ship FedEx for larger packages, when it's less expensive, & for when you need the package quicker (if quicker for your location).

Enjoy less expensive shipping and faster transit times for most packages using USPS Priority Mail / Flat / Regional Rate services. Be sure to let us know at the time of ordering if you'd rather have us ship your order through FedEx (more detailed information available in our catalog on pages 53 & 54) or USPS.

Once again thanks for your business and hopefully this makes your ordering process that much more enjoyable!
